**The Rotary Sail Day has become a favourite annual event for the Tasmanian boating and business community. Celebrating it's 21st anniversary, Rotary Sail Day has raised more than \$650,000 and is now one of Tasmania's largest and most sought after sailing and charity fundraising events.**

Rotary Sail Day is hosted by the Rotary Club of Hobart with generous support from the Royal Yacht Club of Tasmania, whose members, together with members of the Derwent Sailing Squadron, Bellerive Yacht Club and the Motor Yacht Club of Tasmania, generously donate their yachts and crew for the day to make it all possible. *Windward Bound* is a welcome addition to our fleet of supporters

If you are looking for an occasion to reward achievers in your business, whether staff or customers, then Rotary Sail Day is an exciting option.

The event showcases around seventy of Hobart's best yachts and motor cruisers.

Businesses pay only \$950 to sponsor a yacht for the day and the public can join in for \$100 per head.

Standard packages are available for yachts accommodating up to 8 guests and a fully catered lunch including drinks is generously provided by some of Hobart's principal food and beverage suppliers.

**No sailing experience is required and all yachts are allocated with experienced crew.**

Supporters come from a broad range of companies large and small.

Regulars, some of whom have participated in every Rotary Sail Day, regard the event as their major corporate entertainment function for the year.

Be part of the spectacle as the D'Entrecasteaux Channel comes alive with colour at the 21st anniversary Rotary Sail Day – a unique opportunity to entertain guests not only for fun and entertainment but for a good cause.

*The Rotary Club of Hobart is a "Deductible Gift Recipient" and the donation component of packages made to this fund may be tax deductible.*

**Tuesday 7 February 2012**  
**Entries close: Wednesday 30th of November 2011**
