

**ROTARY INTERNATIONAL**

**THE ROTARY FOUNDATION**

# **GROUP STUDY EXCHANGE**

**District 9830**

[Tasmania – Australia]

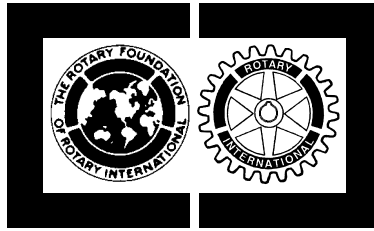

***WELCOMES***

**District 3050**

[India]

**16 March 2008 – 18 April 2008**

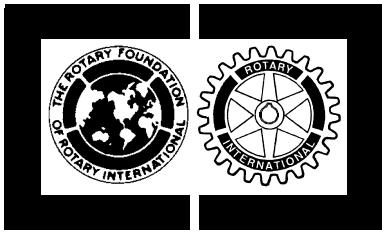

## **Group Study Exchange**

The Group Study Exchange is one of the many educational programs of The Rotary Foundation of Rotary International, offering a unique person-to-person opportunity for the promotion of better understanding and friendly relations among the peoples of the world.

The program provides for the exchange of teams of young business and professional people between paired Rotary districts in different countries, enabling them to study the history, geography, institutions, culture and the way of life of the host country as well as researching the team member's own vocations in the country they are visiting.

While this program is designed to promote good will, understanding and peace, it also results in the exchange of ideas and the development of personal acquaintances and lasting friendships.

## **The Group Study Exchange Program**

Welcome to the GSE participants from District 3050, India.

The Group Study Exchange program is a unique cultural and vocational exchange opportunity for business and professional men and women in the initial years of their careers. It develops professional and leadership skills among young people to better prepare them to address the needs of their communities in an increasingly global workplace.

It is wonderful to welcome two teams from very different countries in many ways, both of which I have had the pleasure of travelling in. It is also special for the Rotarians in Tasmania to be able to show our unique island to the team members.

I am sure all Rotarians in the district will welcome you all with open arms and share some of our culture and our homes with you for the time you are with us all and look forward to learning more of your vocation, lifestyle and country.

I know that when you return you will be different people and the GSE experience will have an effect on you for many years to come.

***PDG Una Hobday***

Chair, District Rotary Foundation Committee

# TASMANIA

Tasmania is the smallest and most picturesque state of Australia. Separated from the mainland by the 240 kilometre stretch of Bass Strait, Tasmania is a unique land of rugged mountains, evergreen forests, fertile farmland and scenic coastline.

Tasmania's land area of 68,102 square kilometres is a little less than one-fifth the size of the state of Rajasthan with 342,214 square kilometers. The climate is temperate, with summer daytime temperatures often around 25 degrees Celsius while winter daytime temperatures seldom fall below 10 Celsius. Rainfall is predominantly in winter.

Primary industries include agriculture, mining, fishing and forestry. Favourable climatic conditions result in varied agriculture that includes vegetable production, poppies for pharmaceutical products, pyrethrum for natural insecticides, dairying, beef, lamb and wool production. A clean and green image is being used to promote these products to the world.

Secondary industry plays an important part in the State's economy. It includes mineral smelting, paper manufacturing, vegetable processing, cheese and chocolate production. Energy is currently derived from hydropower; wind power farms have been established and natural gas is also brought onshore.

Tourism is a significant industry in the state. Many tastes are catered for with heritage and wine trails and some of the world's best bush walking and fly fishing.

The island has a decentralised population of almost 500,000. The main centres are Hobart in the south (the capital city with 205,000 people); Launceston (98,500) in the north; and Devonport (25,000) and Burnie (18,000) in the State's north-west.

Tasmania is one of six states and two territories that make up the Commonwealth of Australia. It was discovered in 1642 by the Dutch Navigator, Abel Tasman, and was initially known as Van Diemen's Land. The British established the first permanent European settlement in 1803, and it became the final destination for their worst convicts. Convict transportation ended in 1853, and the island was renamed Tasmania in honour of its discoverer. Britain granted responsible government to the island in 1855 and in 1901 Tasmania became part of the Commonwealth of Australia.

European settlement devastated Tasmania's aboriginal population, who had lived in Tasmania for about 35,000 years. Efforts are now being made to return key pieces of land to the descendants of the original Tasmanian inhabitants, and reconciliation is an important social and political issue in Australia.

## **DISTRICT GOVERNOR D9830**

### **KEVIN SHADBOLT**

### **Welcome to GSE Team Members from D3050 India**

Welcome to Tasmania, the island state of Australia.

District 9830 has a strong commitment to GSE and under the capable leadership of Coordinator James Wilcox and Chair Dale Loyd-Webb the committee has produced what we think is an excellent program. We hope that you will enjoy the wide variety of cultural opportunities and gain further insights to your careers as you experience your vocational days.

You will also have the opportunity to enjoy Tasmania's hospitality as you travel around our beautiful state. Hopefully you will have time to appreciate the beauty of our natural wilderness areas as you breathe some of the most pure air in the world. There will also be many occasions on which to delight in the cuisine, see something of our primary and secondary industries, our political structure and government administration.

We look forward to welcoming you to our District Conference which is always a highlight of our Rotary year.

We hope this Group Study Exchange will be one of the most memorable experiences of your lives and that you will come to appreciate our Australian way of life, enjoy the beauty of Tasmania and establish many lasting friendships.

***Kevin***

Kevin Shadbolt  
District Governor - 9830

## **DISTRICT GOVERNOR D-3050**

### **DR. HARSHAD UDESHI**

It is indeed a pleasure that our District 3050's GSE team, lead by Rtn. Pradhuman Patni, is visiting your District 9830, Tasmania, Australia from 16<sup>th</sup> March onwards.

Please accept greetings from 5,500 plus Rotarians and 134 Clubs in our District. India, and particularly our District, is rich in diversified culture. I am sure that this exchange will prove to be real exchange between our two countries and districts.

Your District's team, lead by Rtn. Peter Murfett, had been a wonderful team and I had the opportunity to interact with them on number of occasions at different places. Your team has been wonderful and has been liked and appreciated by one and all clubs in district which they have visited. No doubt our district is very, very big.....geographically and clubs wise. The team had to travel very long distances but still the team members must have had an experience of their life time.

I do cherish the memories of my meeting with your late DG Bernie with whom I spent good time at San Diego last year. I miss him very much.

With rotary regards,

***Dr. Harshad Udeshi***

District Governor D-3050

## **James Wilcox**

Coordinator  
Group Study Exchange  
District 9830

It is with great pleasure that the District GSE Committee welcomes the visiting GSE Team from District 3050, India.

The Rotarians, partners and friends of Rotary in District 9830 always look forward to the visits of Group Study Exchange teams with great enthusiasm and expectation. We all share wonderful experiences with visiting GSE teams and many of us maintain close contacts with members of past teams.

Group Study Exchange is considered by many to be one of the best programs available under the Rotary Foundation's wide range of educational programs. It is a unique opportunity to meet new friends, to introduce them to our state, our Rotary Clubs, our businesses and industries, our homes and our families. It is a true exchange of culture, ideas and friendship.

The success of this GSE program will be a direct result of the planning and preparation of the team members and the thorough and detailed planning by the District 9830 GSE Committee, the hard work of Club Coordinators, and the many other Rotarians and non-Rotarians who have contributed much to the organisation of the visiting team's itinerary.

We have arranged a five-week itinerary that will be challenging but not too demanding for the visiting team. We hope the itinerary meets your expectations and includes some of the items that you have dreamed about.

To all those who have contributed, I offer my sincere thanks.

I am confident that the GSE team from District 3050 will have a wonderful five weeks in Tasmania and will return home as great ambassadors for our State.

## Group Study Exchange Team

### **Pradhuman K. Patni [Team Leader]**

**Sponsor:** Rotary Club of Kota

**Occupation:** Trader of equity market securities

**Address:** 2-D-1 Vigyan Nagar  
Kota - 324 005  
Rajasthan, INDIA

**Phone:** +91 744 2430440

**Mobile phone:** +91 94141 90330

**Email:** *pkp15patni@yahoo.co.in*

**Pradhuman Kumar Patni** has been a Rotarian since 1991 at Rotary Club, Kota in the province of Rajasthan in India. He has worked in different capacities at the Club and District level as under:

- Club Director for 7 years
- Club Secretary for two terms :- 1993-94 and 2001-02
- Club President in the year 2004-05
- Additional District Secretary 1996-97
- District Secretary Membership Committee 2006-07
- Assistant Governor, R.I. District 3050
- Member on a number of District Committees such as RYLA, Rotaract, Interact, and New Generation
- Chairman, R.I. District Grants Sub-committee 2008-09
- District Secretary General of R.I. District 3050 for the year 2008-09

He completed his University education in the year 1985 and holds a Masters in Commerce (M.COM). He also has to his credit a Post Graduate Diploma in IT Systems & Software.

Currently he is gainfully engaged in trading of equity market securities. Pradhuman has a passion for public relations and is also interested in issues related to gender discrimination. He also has interest in the following areas of community service:

- Old Age Home & Medical Care for elderly people.
- Drug addiction among the adolescents

## **Krupa D. Bhatt**

**Sponsor:** Rotary Club of Gandhinagar

**Occupation:** Lecturer in Economics

**Address:** No 1052, Sector-27  
Swastik Society  
Near D.S.P. Office  
Gandhinagar – 382 027  
Gujarat, INDIA

**Home phone:** +91 79 23210938

**Mobile phone:** +91 94281 00314

**Email:** *krupsbhatt@yahoo.co.in*

I have a post graduate degree from the Sardar Patel University in Economics and currently I am pursuing my M. Phil. in Indian Diaspora and cultural studies specializing in Economics.

I am serving as a lecturer in Economics in the Commerce College. In my job, I have successfully organized co-curricular activities for the undergraduate commerce students for their overall development.

My other initiatives at my college are Cultural Activities and Social Service Activities.

I am interested in sights of Tasmania, Australia.

## **Vineet Gahtori**

**Sponsor:** Rotary Club of Anjar

**Occupation:** Engineer

**Address:** 40, Jhulelal Society  
Anjar-Kutch – 370 110  
Gujarat, INDIA

**Home phone:** +91 283 650258

**Mobile phone:** +91 99041 34979

**Email:** *[vineet.gahtori@gmail.com](mailto:vineet.gahtori@gmail.com)*

I am B.Tech in Electrical and Electronics Engineering from College of Engineering Roorkee.

Presently I am working as an Engineer Electronics and Automation in Welspun Gujarat Stahl Rohren Ltd. My main role includes controlling of heavy machinery with the help of automation system.

I have completed the project of 4500mm Plate/steckel mill. My responsibilities are, performance monitoring of the project, engineering, de-bottlenecking of process through studying electrical, electronics instrumentation and construction design, implementation.

I would like to visit Industrial Engineering Department and Computer Science department in University Tasmania. I would like to visit some of the industries in Tasmania.

## **Prachitee Jain**

**Sponsor:** Rotary Club of Udaipur Elite

**Occupation:** Product Manger

**Address:** House No. 237, Road No. 4, Subhash Nagar  
Udaipur -313 001  
Rajasthan, INDIA

**Phone:** +91 294 2413907

**Mobile phone:** +91 98292 44711

**Email:** *prachiteejain@hotmail.com*

I have done graduation in Electrical Engineering and presently working as Product Manager with Secure Meters Ltd., Udaipur. I possess around 6 years of experience in Marketing and Product Management function with this organization (a pioneer in the field of electronic energy meters, metering solutions and turnkey services).

I am handling complete product life cycle (inception, development, trials, launch, wind down etc.) of various products as for Automatic Meter Reading & Grid Metering applications.

My main responsibilities include Market study, Understanding customer requirements, Evolve technical specification for new products, Identifying product differentiation/applications, Conduct product presentations/demo, Technical support to sales & marketing team for different projects etc. I am also involved with business process formulation and quality audits for our group.

Some of vocational activities as I would like to take up during this tour :-

- Visit one or two Grid substations and main load dispatch centre of Tasmania (regional/zonal as applicable) to understand their complete system operation.
- Visit two or three manufacturing companies/product development businesses/solution integrators (associated with electricity metering, communication products & related solutions).
- Discuss with some of the experienced electricity company officials to get insight into Tasmanian/Australian Power sector structure, Electricity metering & related applications, Tariff structure, Meter reading & billing systems, future applications etc.
- Visit different sites (Industrial/ Commercial/ Residential) to see metering installations
- Visit some of the communication service providers for GSM/GPRS/Leased Line etc.

Further I hope to learn by visiting a variety of businesses within a variety of sectors and meeting Tasmanians from different walks of life.

My personal interests include watching movies, playing Badminton, reading books and spending time with family & friends. I would like to enjoy the landscapes, flora & fauna, scenic coastlines, mountains, and world heritage wilderness of beautiful land of Tasmania. I look forward to experience the culture, history, things & places which this island boasts of.

## **Dr Prabhat K. Kaushik**

**Sponsor:** Rotary Club of Bhiwadi

**Occupation:** Principal of UCSKM Public School

**Address:** UCSKM Public School  
Phase-III, Industrial Area  
Bhiwadi, Dist: Alwar - 301 019  
Rajasthan, INDIA

**Phone:** +91 1493 223472

**Mobile phone:** +91 94140 12001

**Email:** *pkkaushik2002@yahoo.co.in*

I have done my Honours in Botany, post graduate degree in Botany(M.Sc.) and postgraduate professional degree in Education (M.Ed.) from Dayalbagh Educational Institute (Deemed University), Agra and Doctorate degree (Ph.D.) on Gifted Children from Dr.B.R.A. University, Agra. Currently I am pursuing my M.B.A. (HR) degree from MD University, Rohtak, India.

After having served for Ministry of Defence, Govt.of India in Military School, I am serving as Founder Principal, UCSKM Public School (an Eng. Med., Co- Ed. , 10+2, Long hours Day Boarding cum Residential & Day school, Affiliated to CBSE, Delhi), Bhiwadi (Rajasthan) for 10 years . I am recipient of various prestigious awards including 1 state govt. and 3 National Awards for innovative ideas and successful experiments in education.

My other appointments are: (a) Gen. Secretary, Edcons International; (b) Organising Secretary, PTA of India; and (c) Chairman, Child & Educational Development Society.

As Director Co-Ordination (New Projects) I am responsible to establish new schools and help running already existing schools. As Director Institute for Gifted Children (IGC) I am responsible to ensure that every child is given not only individual attention including guidance & counseling but also to find out their strength and weaknesses. The IGC is supported by two independent wings viz; Academic Diagnosis and Improvement Centre (ADIC) and Personality Assessment and Development Centre (PADC).

In my job, I have successfully managed 100% results in Central board exams, through self motivation techniques and practicing nil failure system in home classes. I have produced even toppers from underachievers with the help of self motivation.

I am interested in visiting schools & colleges as many as possible and of course sight seeing of Tasmania, Australia.

# District Conference

The members of the GSE Teams from D-3050 are invited to attend as much of the District Conference as possible. The main venue is the Christian Fellowship Hall.

It is an opportunity to meet the Rotarians, partners and friends of Rotary in D-9830 and to learn what activities/projects Rotary clubs in our part of the world are involved with. Importantly, it is chance to meet members of the GSE Team from D-5220 California, U.S.A. and the returned Tasmanian teams that visited D-4580 Brazil and D-3050 India.

## Conference Committee Contact for GSE Teams:

Rotarian Noel Grey (Pauline)

Phone: Home 6452 1802 Work 6452 2511 Mobile 0428 380 992

## Friday 4<sup>th</sup> April

GSE Teams accommodated at the **Bridge Hotel**, Montagu Road, Smithton.

GSE Teams to be present at the opening of Conference from 7:00 pm to 9:15 pm. Supper will be provided from 9:15 pm.

## Saturday 5<sup>th</sup> April

Breakfast is available free of charge at the appropriate Conference venue or may be taken elsewhere at the GSE Team's expense.

Returned GSE Team to D-4580 Brazil - 20 minute presentation 9:00 am to 9:20 am.

**D-3050 India GSE Team - 30 minute presentation from 9:55 am to 10:25 am.**

Lunch is from 12:20 pm to 1:20 pm.

Returned GSE Team to D-3050 India - 20 minute presentation 1:30 pm to 1:50 pm.

D-5220 California GSE Team - 30 minute presentation from 3:30 pm to 4:00 pm [the last session for the afternoon].

Conference Dinner is 6:45 pm for 7:15 pm sit-down until late. Venue is the Smithton Sports Centre.

Turn watches back 1 hour before going to bed tonight.

## Sunday 6<sup>th</sup> April

Breakfast is available free of charge at the appropriate Conference venue or may be taken elsewhere at the GSE Team's expense.

The Conference continues on Sunday from 8:30 am to 12 noon.

Lunch will be held at the Community Centre from 12 noon.

The GSE Team will depart the District Conference following lunch with hosts from the Rotary Club of Hobart.
