Teddy Bears Wanted & Needed

Donating a Teddy Bear is a wonderful way to provide the Teddy Love Club program with much needed teddy bears and at the same time honour your baby or a baby close to you.

Teddy Bear Drive is being held in loving memory of

~ Adam McKinnon ~

Every year many babies little lives are lost due to miscarriage, stillbirth and neonatal death. The Teddy Love Club donates traditional Teddy Bears to bereaved parents throughout many Hospitals.

Although nothing will ever take away the pain of losing a baby, we hope that the Teddy Bear in a small way, can ease the pain of leaving the hospital with empty arms. Sadly more and more Teddy's are needed.

Bear Drive Details

Date: Throughout the month of March
