PROFESSIONAL DEVELOPMENT EXCHANGE

TASMANIA to NEW ZEALAND

An international exchange program for young professionals

Develop your professional skills, exchange ideas, improve your networks and grow personally.

What is Professional Development Exchange?

Professional Development Exchange is an exceptional professional and cultural exchange opportunity for professional and business people between the ages of 25 and 40 who are in the early stages of their careers.

The program will provide funding for exchange visits of three weeks between Tasmania and New Zealand Rotary District 9940, which is located in the Southern part of the North Island. Four team members from each region will see directly how the tourism and viticulture industries are developed and run in that area. It will also provide an environment for developing professional and personal relationships, and exchange ideas. They will also experience the history, geography, institutions, culture and the way of life of the host country. The team will be led by an experienced Rotarian selected from Rotary club nominations.

Team members could come from corporations, small businesses and government organisations.

Why Should I Participate?

The program is designed to have an invaluable impact on the career of a young professional in the increasingly global workplace by developing skills, creating networking opportunities and lifelong friendships. Individuals who participate in this rewarding once in a lifetime experience will return home with broadened cultural perspective and new understanding of New Zealand's history, commerce and government. This program offers a unique opportunity to develop leadership skills, work on team building, and increase self-confidence.

Who is Eligible?

Professional Development Exchange participants should be:

- Between the ages of 25 and 40
- Be fully employed with at least two years of work experience in either tourism or viticulture.
- Be personable, articulate, cooperative, motivated team players, and enthusiastic about their professions.

Team members cannot be the spouse/partner of a Rotarian
